# ETH Zurich Executive Board 2022/23

as of 31 December 2022

## Joël Mesot (1964)

was appointed Adjunct Professor at ETH Zurich in 2007 and a year later became Full Professor. Since August 2008 he has held a joint professorship in physics at ETH Zurich and EPFL. From 2008 to 2018 Mesot was Director of the Paul Scherrer Institute (PSI) in Villigen. He became President of ETH Zurich in January 2019.

## Secondary employment

Member of the Foundation Board and Second Vice Chair of the Marcel Benoist Foundation; Member of the Global Network Advisory Board WEF Centre for the Fourth Industrial Revolution; Member of the Governing Board, Geneva Science-Policy Interface; Co-Chair of the Academic Forum Geneva Science and Diplomacy Anticipator; Member of the Advisory Board of the University of Geneva Development Plan "Campus 2032"

## Günther Dissertori (1969)

came to ETH as Assistant Professor in 2001 and was appointed Full Professor of Particle Physics in 2007. Dissertori made a name for himself as a researcher in connection with the CMS experiment at CERN. He has received several awards for his teaching. He has been Rector of ETH Zurich since February 2022.

Editor in Chief of "European Physical Journal C" epj.org / Springer; Chairman of the Foundation Board of Rotary Club Oerlikon; Chairman of the Advisory Board of Positrigo AG; Consultant for Spherene AG

## Detlef Günther (1963)

was Assistant Professor from 1998 to 2003, Associate Professor from 2003 to 2008, and Full Professor of Trace Element and Microanalysis at the Laboratory of Inorganic Chemistry at ETH Zurich from February 2008. From 2015 to 2019 he was Vice President for Research and Corporate Relations. He served as interim Vice President for Knowledge Transfer and Corporate Relations in 2020 and has been Vice President for Research since 2020. After eight years in office, he stepped down from that post at the end of 2022 in order to refocus on his own areas of research.

Member of the Board of Directors of GRS Gemresearch Swisslab AG, Member of the University Council of the Technical University of Darmstadt

## Vanessa Wood (1983)

was Assistant Professor from 2011 to 2015 and Associate Professor from 2015 to 2019. She has been Full Professor of Materials and Device Engineering at ETH Zurich since 2019. She was Head of the Department of Information Technology and Electrical Engineering from 2018 to 2020. Since 2021, in addition to her full professorship, she has been Vice President for Knowledge Transfer and Corporate Relations.

Scientific Advisor to Batttrion AG

## Robert Perich (1961)

has a doctorate in business administration and has been Head of ETH's Finance and Controlling since 2003 and Vice President for Finance and Controlling since October 2008. Before that, he worked for 11 years in the financial services industry, most recently as CFO and Member of the Executive Board of the Private Banking Switzerland division of a leading Swiss bank.

Member of the University Council of the University of Cologne; Guest Lecturer for the CAS University Leadership and Governance programme at the University of Zurich

## Ulrich Weidmann (1963)

has been Full Professor of Transport Systems at ETH Zurich since June 2004, and also served as Head of the Department of Civil, Environmental and Geomatic Engineering from 2013 to 2015. He was Vice President for Human Resources and Infrastructure from 2016 to 2019. He has been Vice President for Infrastructure since 2020 and was also interim Vice President for Personnel Development and Leadership from January to November 2020.

Member of the Board of Directors: VBG Verkehrsbetriebe Glattal AG, Auto AG Schwyz. Member of the Arbitration Panel: Ceneri Base Tunnel (Rail Technology and Overall Coordination, Railtrack and Logistics). Trustee of the Board: Fachstelle für behindertengerechtes Bauen (buildings for the disabled); Langfristplanung Personenverkehrsangebot (long-term planning of passenger transport services); Member of Sounding Board Rail 2050, Federal Office of Transport; Member of Senior Project Management for Regelwerk Technik Eisenbahn, Verband öffentlicher Verkehr

## Julia Dannath (1977)

holds a doctorate in psychology and has been Vice President for Personnel Development and Leadership since November 2020. Previously she worked for 12 years as a psychologist and most recently as the CEO of a consulting company supporting international organisations in developing their leadership and corporate culture.

Member of the Supervisory Board: Medclin AG, Rhön Klinikum AG. Founding Partner and Member of the Board of Directors of Alsia & Partners AG; Board Member: Executive MBA Community, University of St Gallen

## Remuneration

In 2022, the salaries of the eight members of the Executive Board, including the employer's social security contributions, came to 2.97 million Swiss francs (last year: 2.94 million Swiss francs). The total sum includes 0.49 million Swiss francs (last year: 0.48 million Swiss francs) for pension benefits and 0.18 million Swiss francs (last year 0.17 million Swiss francs) for other social security contributions.

On 31 January 2022 **Sarah Springman** stepped down as Rector of ETH Zurich on entering retirement. She had already been Professor of Geotechnical Engineering at ETH Zurich for 18 years when she first took up the post of Rector in 2015. During her seven years in the post, she proposed and implemented significant reforms at all levels of teaching. In all her work, her motto was always "Students first".
